Examiner's Comment

Applicant's arguments and the 1.131 Affidavit has been fully and carefully considered. Based on the 1.131 affidavit, the examiner concurs with applicant that there has been sufficient evidence presented that applicant had in his possession the claimed invention of providing a starch composition comprising a first faction comprising cross-linked starch and at least a second fraction comprising depolymerized starch from the meeting attached to applicant's affidavit that these meeting took place prior to May 8, 1998 which is the filing date of the Whaley Patent. The examiner acknowledges that applicant has filed the application under the Patent Cooperation Treaty on January 29, 1999. Accordingly, the 35 U.S.C. 102(e) rejection is withdrawn pursuant to applicant's 1.131 Declaration.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to N. Bhat whose telephone number is 571-272-1397. The examiner can normally be reached on Monday-Friday, 9:30AM-6:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Milton Cano can be reached on 571-272-1398. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
